

# Premio Marcello Magni for Theatre

1st Edition 2026

Call for Applications – Regulations

## 1. Introduction

The **Premio Marcello Magni for Theatre** is promoted by the Marcello Magni Fund, held at the Fondazione della Comunità Bergamasca.

The Premio Marcello Magni for Theatre pursues the following objectives:

- to promote and support young artists and new artistic experiences, contributing concretely to innovation and the transformation of theatrical languages, while acknowledging a cultural and social context increasingly unable to interact effectively with younger generations, and with the intention of offering them appropriate spaces for action and expression;
- to place trust in the artistic and creative production of artists under the age of 35, encouraging experimentation that develops beyond the boundaries of established practices;
- to foster an investigative outlook that looks elsewhere and consciously seeks what is not yet visible, beyond familiar and consolidated frameworks;
- to provide tools of support to nourish the energy and determination that enable young artists to project themselves courageously beyond individual and contextual limits;
- to promote opportunities in which artistic and theatrical practice is centred on community and relationships, working concretely so that dialogue and collaboration among all components of the Prize, organisers and participants alike, become a defining method and condition.

## 2. Eligibility

This call for applications for the **Premio Marcello Magni for Theatre**, with a total prize fund of €20,000.00, is open to theatrical performance projects created by emerging artists or groups, newly formed companies, or artists engaged in new research paths.

## **5. Process**

### **5.1 SELECTION PHASE**

All projects received by **30 April 2026** will be reviewed and evaluated by a Selection Committee composed of industry professionals affiliated with organisations collaborating with the Marcello Magni Fund (actors, directors, organisers, theatre critics and experts).

Artists selected for the final phase will receive confirmation by email, and the list of finalist projects will be published on the website by **30 June 2026**.

### **5.2 FINAL PHASE**

**(26–27 September 2026)**

The Final Phase of the Prize will take place in public form as part of the **Premio Marcello Magni Festival**, scheduled at the CULT venue in Bergamo on **26 and 27 September 2026**.

Finalists will present their projects live to a Jury appointed by the organisers and composed of national and international theatre professionals.

During the Premio Marcello Magni Festival, national and international theatre professionals and operators will have the opportunity to view the finalist projects.

A minimum of **8** and a maximum of **12** projects will be admitted to the final phase.

Live performances must have a maximum duration of **20 minutes** and a minimum duration of **15 minutes**, in order to allow the Jury and the audience to assess the potential of the performance arising from the submitted project.

The organisation will provide a standard technical rider, identical for all finalists, which will be sent to those selected for the final phase. Finalists, having been informed well in advance, are required to adapt their performances to the available technical specifications. Any specific requests may be considered but will not be binding for the organisation.

Final performances may be refined and reworked compared to the videos submitted during the selection phase, but must retain clear recognisability of the original project. Substantial deviations from the selected project will result in exclusion.

Changes to the artistic core presented in the first phase are permitted but must be communicated to and approved by the Prize Direction, under penalty of exclusion from the final phase.

All projects selected for the final phase undertake to include the wording “**Finalist – Premio Marcello Magni 2026**”, together with the official logo, in all promotional materials.

The Jury will award the **Premio Marcello Magni** to the first-ranked project, with a value of **€12,000.00**.

At its sole discretion, the Jury may award up to **two additional prizes**, each worth **€4,000.00**.

The Jury also reserves the right not to award any prize, or to reduce the prize amounts, should the quality of the submitted projects be deemed inconsistent with the objectives and intentions of the Premio Marcello Magni.

## 6. Conditions for Awarding the Prize

The winners are required to complete the production of the performance presented as a project for the Premio Marcello Magni by **the end of March 2027**.

At the time of the award announcement, the organisation will disburse **40% of the prize amount** to the winners. One or more professionals appointed by the Prize will follow the production process, including remotely, providing monitoring and mentoring.

The remaining **60%** of the prize may be paid in several instalments, based on production needs indicated by the appointed tutor, and will be disbursed after the public performance of the completed work.

The public premiere of the completed performance shall be entirely the responsibility of the prize winner, both from an organisational standpoint (theatre rental, SIAE procedures, etc.) and in terms of communication.

Winning projects undertake to include the wording “**Winner – Premio Marcello Magni 2026**”, together with the official logo, in all promotional materials.
